## The Lunch Counter

Is the Cause of Dyspepsia and Indigestion, Catarrh of the Stomach and Heart Disease.

Nine-Tenths of Those Who Eat There Bolt Down Their Food.

The next time you eat at a lunch-counter just you watch the people opposite. Look down the whole line and notice how they bolt down their food, washing it down with hot coffee or cold water. First they take a large bite then a drink, a bite and a drink, hurrying through their meal in five or ten minutes.

Many of them don't know the correct way and eat while others are so intent on money-making that they will not take the time to eat properly.

The lunch counter creates a great demand for Stuart's Dyspepsia Tablets, for every one now knows that they assist the stomach in digesting the food that has been suddenly forced down into it.

Health should be the first thing sought for in the battle for existence. With a sound body all things are possible to man, while ill-health handicaps him.

The dyspeptic is usually grouchy and cannot meet his fellow-man in the proper spirit to win his confidence and esteem. Many a fine proposition has failed because a dyspeptic was back of it.

Your brain does not work right where dyspeptic conditions prevail, neither does any organ of the body.

Get your digestive apparatus in perfect condition first and all will go well with you.

Take Stuart's Dyspepsia Tablets until you cure yourself of indigestion, catarrh of the stomach and dyspepsia, and your heart, liver, brain and all the organs of the body will perform their functions properly and you will be in sound health.

Don't give up in despair, but get right and all things will come your way and fortune will again smile upon you.

You can purchase Stuart's Dyspepsia Tablets anywhere on earth. They have become a family necessity everywhere. They are 50 cents per package. Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.
